#### Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Results' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matter

4. We draw attention to Note 4 to the financial results, which describes the Management's assessment of the impact of the outbreak of Coronavirus (COVID-19) on the business operations of the Company. In view of the uncertain economic environment, a definitive assessment of the impact on the subsequent periods is highly dependent upon circumstances as they evolve. ### Board of Directors' Responsibilities for the Financial Results

5. These financial results have been prepared on the basis of the annual financial statements. The Company's Board of Directors are responsible for the preparation and presentation of these financial results that give a true and fair view of the net profit and other comprehensive income and other financial information of the Company and the balance sheet in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Listing Regulations. The Board of Directors of the Company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the financial results by the Directors of the Company, as aforesaid.
6. In preparing the financial results, the Board of Directors of the Company are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. The Board of Directors of the Company are responsible for overseeing the financial reporting process of the Company.

### Auditor's Responsibilities for the Audit of the Financial Results

8. Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls. (Refer paragraph 12 below)

Notes:

- The financial results have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016 read with the relevant rules issued thereunder and other accounting principles generally accepted in India. Any application guidance/clarification/directions issued by the Reserve Bank of India or other regulator are implemented as and when they are issued/applicable.
- The above financial results have been reviewed by the Audit Committee at their meeting held on June 13, 2021.
- These financial results have been prepared in accordance with the requirement of Regulation 52 of the IESI (Issuing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CF/AC/62/2016 dated July 5, 2016 read with CIR/MO/OF/1/697/2016 dated August 10, 2016.
- In addition to the widespread public health implications, the COVID-19 pandemic has had an extraordinary impact on macroeconomic conditions in India and around the world. During the previous year, people and economies around the world, witnessed serious turbulence caused by the first wave of the pandemic, the consequent lockdowns, the gradual easing of restrictions and the emergence of new variants of the virus. Although government has started vaccination drive, COVID-19 cases have significantly increased in recent months due to second wave as compared to earlier levels in India. Various state governments have again announced strict measures which includes lockdown to contain their spread. As COVID vaccines get administered to more and more people, businesses in sectors impacted by pandemic may pick up. However, the continuing and evolving nature of the virus has created uncertainty regarding estimated time required for businesses and lives to get back to normal.
- The Company continues to closely monitor the situation and in response to this health crisis has implemented protocols and processes to execute its business continuity plans and help protect its employees and support its clients. The pandemic has impacted trading business, fee income, collection efficiency etc. resulting in increase in customer defaults and consequently increase in provisions. The Company, however, has not experienced any significant disruptions in the past one year and has considered the impact on carrying value of assets based on the external or internal information available up to the date of approval of financial statements. The future direct and indirect impact of COVID-19 on Company's business, results of operations, financial position and cash flows remains uncertain.
